Dear Exhibitor:

We would like to invite you to apply to our 24th Annual Audubon Art & Craft Festival.

We will be in our original location- The Wallenpaupack Intermediate & Elementary Schools. Please note that the date for 2010 is the week-end of July 17 and 18.

Our Festival is entirely enclosed in air conditioned facilities, and draws from the Poconos Vacation Region, with a particular emphasis on the affluent Lakes Region. Located in on Lake Wallenpaupack, our visitors are predominantly owners of vacation properties, and are residents of New York and New Jersey.

Although we are a small Festival, our visitors are relatively sophisticated and affluent, and sales are generally reported as good to excellent.

We are a non-profit organization and our funds are used for a very ambitious environmental scholarship program for both students and teachers in our region. We support free conservation programs to schools and civic groups, place free books in schools and public libraries and sponsor over 40 N.A.S. "Audubon Adventures" in the schools of our area. We give environmental grants both regionally and internationally and give funds to many local and national environmental organizations. We own and maintain two wetlands in Wayne County.

If you have any questions, please call or email.
